

FALL WORKSHOPS

JOIN US FOR SOME GREAT HANDS ON WORKSHOPS...

FABULOUS FALL CONTAINERS

Get in on the secrets to creating beautiful Autumn and Winter containers. Join Lori Bjorkman, an expert plants person and floral designer, as she shows you how to create a fabulous container that will look good from fall through winter. Using a combination of natural materials that have been cut and dried, and plants with year round interest including evergreens and grasses, you will take home a no-maintenance arrangement that will add beauty and texture to your outdoor space with a container that will last for months. Pre-registration required. \$ 95.00 per person fee covers the cost of materials.

Winter Containers > Sunday November 13 1:30 pm

NATURAL WREATH MAKING

Hands on wreath making using natural materials. Join us for an informative and creative workshop, as we show you how to make your own wreath. Bring the beauty of the outdoors in, with this great project that will provide you with the skills and knowledge to create a high quality, artistic wreath using materials from the wild. Learn about the best plants to grow for harvesting materials from your own garden. Pre-registration required. \$ 95.00 per person to cover the cost of materials.
